Disclaimer

Liability for contents

The contents of our webpages have been created with the greatest of care. We cannot however assume any liability for the accuracy or completeness of the contents, or for them being up-to-date. As a service provider, we are responsible for our own content on these pages in accordance with general legislation. However, as a service provider, we are not obliged to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. This does not affect obligations imposed by general legislation to remove or block the use of information. However, any such liability can only exist once an actual legal infringement is known to us. Once we become aware of such legal violations we will remove such content without delay.

Liability for links

Our service offering contains links to external third party webpages the content of which we are unable to influence. We are therefore also not able to assume any liability for such third party content. The respective provider or operator of the linked pages is always responsible for their content. The linked pages were checked for any potential legal violations at the time when the link was set up. No unlawful content was able to be identified at the time when the link was set up. We cannot however be expected to monitor the content of the linked pages on a permanent basis in the absence of any definite indications of a legal violation. Once we become aware of legal violations we will remove such links without delay.

Copyright

The content and works that have been created on these pages by the operators of the pages are subject to German copyright. Reproduction, editing, dissemination and any kind of use outside the limits of copyright require the written agreement of the respective author and/or creator. Downloads and copies of these pages are only permitted for private, non-commercial use. If the content of these pages has not been created by the operator, third party copyright is respected. In particular, third party content is marked as such. If an infringement of copyright should nonetheless come to your attention, we would ask you to inform us accordingly. Once we become aware of legal violations we will remove such content without delay.

Other notes

In our company, all persons (m/f/d) are treated equally. However, to simplify matters and improve readability, the male personal designations with a generalized meaning (generic masculine) are used in the texts on our portals. Multiple forms or other designations are not used for reasons of readability and clarity.
